The President pointed out that the minutes were already on the society's web site and how pleased he was with its quality.

He thanked the hard working Chairman, officers and the committee for all their work during the last year and noted that membership was healthy and encouraged members to participate in the Shows and other events the Society organises.

The past year had been well reported in the Autumn Newsletter and the ongoing activities were in the relevant Parish magazines, as well as the newly designed Show and Events Schedule.

Finally he thanked Andrew Clough for his work on the seed order.

3. Treasurer's Report

Mrs. Austin that the financial situation is healthy and explained the figures in this year's Financial Report; she invited members to comment or ask questions. A question was asked about the cost of website maintenance and whether this was a one off cost. The Chairman made clear it was a one off cost in part to bring the work on the web site up to date and that there would be a much smaller ongoing annual charge. There were no other questions and adoption of the report was proposed by Wendi Atherton seconded by Maureen Taylor and approved nem.con.

5. 2016 programme

Tim Bines pointed out that this year the Show Schedule was in a new format and had been expanded to include all Society events. The forward programme was on page 19 of the booklet which he quickly outlined. He particularly emphasised the talk by Roger Platts (5 times Chelsea gold medal winner) in February as a key feature of the coming year.

Trips had been arranged for members to Downs Court, and to Great Comp and Downderry Nursery. In addition to the events listed there were ad hoc meetings in the Duke of Cumberland to discuss and exchange ideas and help.

He asked members if they really needed a Spring Newsletter when all the information is in the Schedule and on the website. It was agreed that this was not necessary.

The Chairman asked if the timing and date of the AGM suited members and following a suggestion and brief discussion it was agreed to revise the start time to 7.00pm.

The meeting closed at 7.15pm, the raffle was drawn and members were invited to complete their suggestion forms, and enjoy the refreshments provided by the committee whilst participating in a gardening quiz.
