

GOODNESTONE PARK GARDENS - TRIP REF: GPG

Friday 17th July 10am

What3words: For garden and cafe parking ///signs.twinkled.exhales

The gardens will be full of colour in July. The walled garden with its wonderful roses and herbaceous beds to explore will be a highlight. The grounds have woodland and a gravel garden and, for those artistic types among you, a changing exhibition in the old stables. The Old Dairy Café will be open for lunch or tea and cake. **Please tick below at time of booking if you plan to have lunch** so that we can advise the Café of numbers to expect. At no extra cost, we are hoping that Paul Bagshaw, Goodnestone’s head gardener, will be available to give a tour of this beautiful Kent garden before we enjoy a wander round at our own pace. This will be confirmed nearer the time.
